

WHY DONATE to the UNITED WAY OF SE IDAHO?

United Way of SE Idaho is local.

- We serve the 7 SE Idaho counties and your contribution stays in these 7 counties. We fund 33 local programs in the areas of education, financial stability, and health.

United Way of SE Idaho is efficient.

- 100% of your contributions go to fund programs.
- Our operating costs are funded through generous corporate contributions and grants.
- When you donate to United Way, your funds go farther because your workplace may match those funds and/or an agency may use a United Way grant to receive matching funds from local, state, or federal sources.

United Way of SE Idaho is results-oriented.

- We facilitate long-term change by seeking Cradle-to-Career partnerships that collectively change the odds for the better for youth and families in SE Idaho.
- Our community investment process is thorough and designed to make sure your dollars will have the greatest long-term impact.

United Way of SE Idaho listens.

- As a backbone organization, we bring together the nonprofit sector, education leaders, government, civic organizations, and the business community to collectively create long-term solutions.
