UNITED WAY
Southeastern Idaho

2026-2027 FUNDED PARTNERS

THE POWER OF PARTNERSHIPS

Our work is only possible because of the incredible strength and dedication of our nonprofit partners. These organizations are the boots on the ground—meeting needs, creating opportunities, and building pathways to stability for thousands across our region. Together, we form a united front of support, compassion, and action—helping individuals and families not just survive, but truly thrive.
